

**JAYNE PRODUCTS, INC**  
**MATERIAL SAFETY DATA SHEET**

This conforms to  
 Title 8 Section  
 5 1 9 4

**IDENTIFICATION**

NAME -- **Energy Plus**

CHEMICAL FAMILY --Liquid Degreaser

FORMULA MIXED FORMULA

MANUFACTURER JAYNE PRODUCTS, INC  
 DISTRIBUTOR 17904 South Star of India Lane Carson, CA 90746  
 Phone: 310 715-3070 Emergency Phone 310 715-3070  
 Email: info@jayneproducts.com

**HAZARD SCALE:** HEALTH: 1 FIRE: 0 REACTIVITY: 0 SPECIAL: NONE

<u>INGREDIENTS</u>	<u>CAS</u>	<u>Hazards</u>	<u>TLV</u>
Methyl Dipropasol	034590-94-8	Slight eye irritant	100 PPM
Proprietary Blend of Surfactants		Eye irritant	None established
Na 4 EDTA	64-02-8		None established
Inerts			None established
Does not contain phosphates			
All Ingredients are listed under TSCA			

**PHYSICAL DATA**

Boiling point	212 F
Specific Gravity	1.016 at 20 Deg.C
Odor	Mild
Color	Amber Gold
Solubility in water	100% Soluble
Ph	9.7 +- 0.5
Volatiles	~80 %
Composite VOC partial pressure	<.1 mm Hg at 20 Deg.C
VOC	<20 grams/liter

**HAZARDOUS REACTIVITY**

Instability	None
Decomposition	CO <sub>2</sub> , acrid fumes
Polymerization	Will not occur
Incompatibility	Strong oxidizing agents

EP

### FIRE AND EXPLOSION DATA

Flash point: >200 F Method TCC  
Will not sustain combustion

### FIRE AND EXPLOSION HAZARDS

Use water fog spray to cool and lower the pressure of fire exposed containers, to flush vapors away, and to flush/dilute spilled material. High pressure water directed at the spill may cause foaming.

### EXTINGUISHING DATA

Dry chemical, foam or CO2. If water must be used, use as a spray only.

### HEALTH HAZARD INFORMATION

Prolonged skin contact may cause irritation. Direct contact to eyes will cause severe irritation. Corneal damage may occur after prolonged contact. According to information available at this time, this product is not carcinogenic. Wear chemical safety goggles and impervious gloves when using this product.

### EXPOSURE LIMITS

TLV (ACGIH) None established PEL (OSHA) None established

### SAFETY PRECAUTIONS

Avoid contact with the eyes and skin.

### FIRST AID

SKIN CONTACT -Wash skin with plenty of water after contact. Remove contaminated clothing.

EYE CONTACT -Flush with water for at least 15 minutes. If irritation persists call a physician.

INGESTION -Drink plenty of water or milk (do not give liquids to an unconscious person). See a physician

INHALATION -Remove to fresh air

### PROTECTION INFORMATION

Personal protective equipment suggested - Impervious gloves and chemical safety goggles. No respiratory equipment required. However, if vapor concentration becomes high, use self-contained air mask.

### SPILL RESPONSE

Soak up with absorbent material. Caution: Slippery on floors.

### WASTE DISPOSAL

Incinerate or dispose of in accordance with local, state, and federal laws.

### SHIPPING INFORMATION

No special precautions are required

Plastic or lined metal drums are recommended

EP

STORAGE CONDITIONS

Keep closures on containers when not in use. Product may expand slightly in storage causing pressure to build in container. Open container carefully if product appears to be under pressure.

Section 313 (Title III Super fund Amendment and Reauthorization Act):

This product does not contain any chemical subject to the reporting requirements of Section 313 of Title III of the Super fund Amendments and Reauthorization Act of 1986 and 40 CFR Part 372.

The information contained herein is based on the data available to us. It is believed to be correct. Jayne Products Inc. makes no warranty, expressed or implied regarding the accuracy of these data or the results to be obtained from the use thereof. Jayne Products Inc. assumes no responsibility to personal injury or property damage to vendees, users or third parties from the use of the products described herein. Such vendees or users assume all risks associated with the use or the product.
