

**SCIENTIFIC DEVELOPMENTS, INC.**

Quality Products From Recycled Tires Since 1973

Jayne Products Inc. is an authorized distributor for Scientific Development Inc. SDI's tough, 100% recycled rubber tire wheel chocks are resistant to weather, salt, oil, moisture, UV rays, and temperature. These durable chocks are skid resistant, will not damage tires or pavement and meet EPA and OSHA requirements. All chocks come standard with an eyebolt.
