## CAR, BUS, MOTORCYCLE AND BOAT MAINTENANCE

Use for car washing and steam cleaning. Use all around boats and motorcycles. Cleans tires, glass and vinyl. Cleans acid on batteries. Cleans grease and oils from overalls and work clothes.

## INSTRUCTIONS

**Energy Plus** can be used in various ways. Diluted in water it can be applied with spray bottle, mop and brush, pressure wash and steam cleaning systems.

**Full strength applications:** Use full strength for surface rust, oil, paint and glue stains. Apply **Energy Plus** to the surface to be cleaned up, brush and let stand for 10 minutes and wipe off or rinse. Heavy spots may be left on for several hours to overnight.

**Diluted:** Dilution ratios should be adjusted according to the degree of Contamination.

## CARPET CLEANING

**Energy Plus** can be used as a spot Cleaner (grease, wine, paint, pet stains, glue, coffee, candle wax, juice, etc.), or as a carpet shampoo for the entire room.

**For spot cleaning:** Spray solution onto stain and let stand for a few minutes. Cover with towel and step on it with a twisting motion to soak up stain. Rub dry with another towel.

**For carpet shampooing:** Vacuum carpet before shampooing. Dilute **Energy Plus** 1 to 10 in water. Add solution to holding tank and shampoo the entire carpet. If too much foam, add two tablespoons of rubbing alcohol to the pick up tank.

## GLASS, CRYSTAL AND ACRYLIC

Dilute 1 one tablespoon of **Energy Plus** in 1/2 gallon of water. Spray surface. Buff dry with clean, dry cloth.

**For defogging glass and mirrors:** Apply **Energy Plus** full strength with a cotton cloth. Use a dry and clean cloth to buff surface. It can be use on windshields, eyeglasses, bathroom mirrors, scuba facemasks, etc.).

## CARS, BOATS, ETC.

Dissolve 1 part of **Energy Plus** with 7 parts of water. Apply with cloth, sponge, pressure wash or steam systems. Rinse thoroughly. Buff the surface dry with clean cotton cloth.

**To clean vinyl tops:** Dilute 1 part of **Energy Plus** with 10 parts of water. Scrub top with brush, rinse with clean water.

## TO STRIP LINOLEUM, TILE, WOOD FLOORS

Dilute 1 part of **Energy Plus** with 2 parts of warm water. Sponge mop onto floor. Let stand 5 minutes. Strip thoroughly with abrasive buffer.

## GENERAL CLEANING

**Energy Plus** can be used as a general all purpose cleaner. Dilute 1 part of **Energy Plus** with 10 parts of water. Spray surfaces and wipe dry with a clean cloth or towel.

## ADVANTAGES:

- ❖ Safe on all surfaces
- ❖ It gives out no fumes
- ❖ Non-flammable
- ❖ Non-toxic
- ❖ Non-abrasive
- ❖ Biodegradable
- ❖ Steam cleaning quality
- ❖ Industrial strength concentrate
- ❖ Removes dirt, smudge, ink, soap residue, oil, grease, gum, wax, and light carbon deposits

**Health and Safety:** Unlike high pH cleaners, **Energy Plus** is safe to wash hands with and does not leave white deposits or residues. Rinse after washing. If you are using it for a big job, use gloves to minimize skin contact. Since it is a good oil and grease cleaner it will remove the natural oils in skin. It is suitable for use in food preparation areas to clean all surfaces.

Do Not Take Internally

Avoid Eye Contact

**KEEP OUT OF THE REACH OF CHILDREN**
